Strong

### What do these results mean?

You did not achieve a passing score on this Microsoft Certification exam. The information shown above indicates your relative performance on each section of the exam. This information is provided to help you assess areas for further study. Please note that because each section of the exam may contain a different number of questions, the relative results on individual exam sections might not reflect your final exam result.

Please review the Skills Being Measured section of the exam preparation guide, and continue to
